Re: H. & B. DISHER COURIER

We have been customers of H. & B. DISHER COURIER for the past five years and have found them to be a most dependable, diligent, responsible and efficient delivery service at a fair price.

As the number one law office in Etobicoke for the last five years we require the services of H. & B. DISHER COURIER on at least a daily, usually hourly basis. Their response time to our calls is always as quick as the traffic of the day will allow. If there is ever a problem with a pick-up or delivery the driver and/or dispatcher will call us immediately for instructions. Nothing is left to be handled at a later date.

I would have absolutely no hesitation in recommending H. & B. DISHER COURIER as our experience with them has been an excellent one.

Yours very truly,
